RE: Faye Shipman v. Michael J. Astrue
02 Civ. 6897 (KMK)(RLE)
6987

Dear Judge Karas:

I am writing to request second extension of time in which to file plaintiff's reply memorandum in support of her May 5, 2005 motion for attorney's fees under the Equal Access to Justice Act, 28 U.S.C. section 2412. I previously requested an extension on July 7, 2008 and that request was granted yesterday.

With the consent of counsel for the Commissioner, I ask that plaintiff be permitted to file and serve her reply memorandum on July 14, 2008. Due to several pressing time-sensitive filings and long-standing family obligations I have been unable to complete these papers today.

Thank you for Your Honor's consideration of this request.

Respectfully submitted,

Christopher J. Bowes, Esq.
Attorney for Plaintiff

Attorney for Defendant.
